

Syringa Clinic Pharmacy

## Who can utilize the pharmacy?

Everyone is welcome to utilize the pharmacy services. Walk-ins and appointments are both acceptable.

## Who should patients contact with questions?

The Syringa Clinic Pharmacy at 208.494-3050.

## What is 340B?

The 340B Discount Drug program is a Federal program that passes along manufacturer discounts on prescription medications to certain federally funded clinics and hospitals. These discounts are used to lower drug costs for the clinics and these savings are used to expand care by the clinics in the community.
